**Check-in Schedule (only check in on your first day) AT: 5:00 PM Fri and 7:00AM Sat and Sun.**

- (1) if you **don't** have a permanent height card or a temporary height card with three signatures on it
- (2) if you are **not** entered in 24" Championship or 20" Performance.
- (3) if your confirmation doesn't have a check in the little box or you did not sign your entry form.

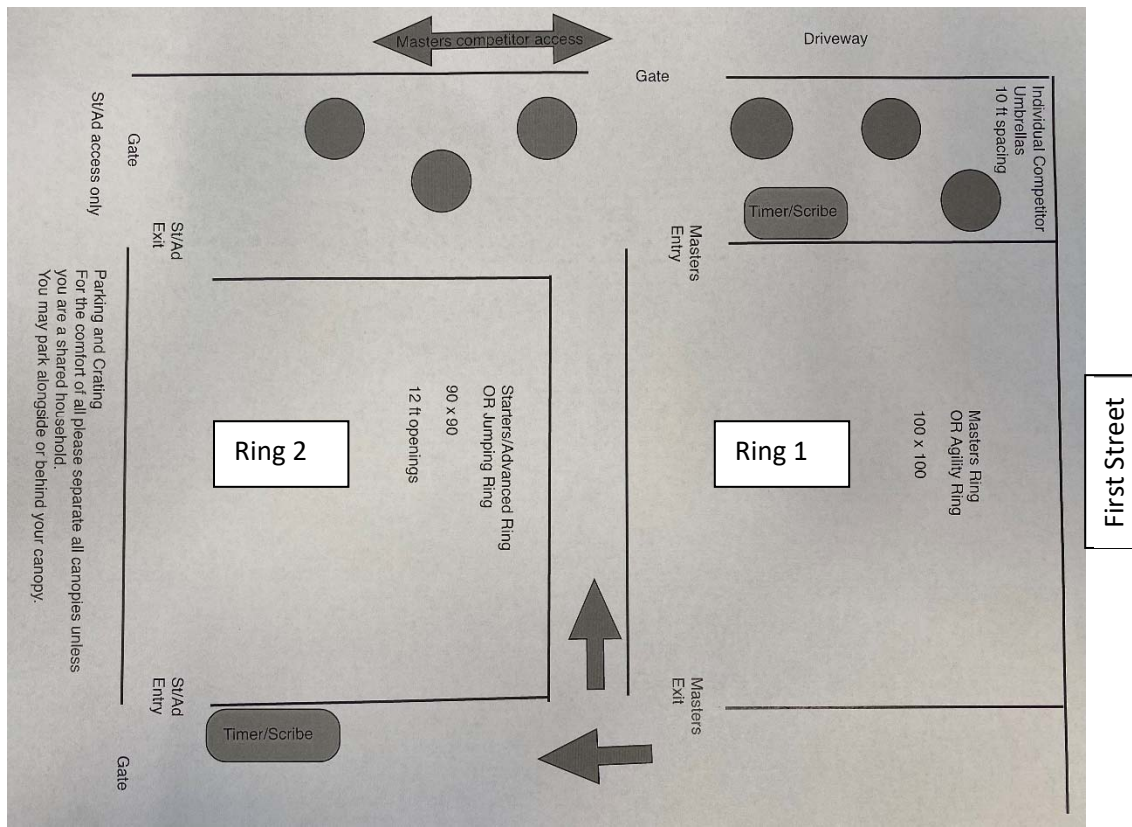

**Please note that the Masters ring (ring 1) will be the ring closer to the road and the st/adv ring will be Ring 2 closer to the back field. PLEASE DRIVE SLOWLY ON THE DRIVEWAY- 5MPH!!**

**COVID Stuff**

Our goal is to have a trial that is properly physically distanced, but still a social gathering. If you'd like to hang out ringside, please bring an umbrella. Masks are mandatory except when you are running your dog or alone in your own setup/vehicle. Please be aware of how close you are getting to other people. No hospitality of any type will be provided. We'll be using Roger's new gate app for the trial so you can keep track of where we are on your smart phone. I suggest downloading the app ahead of time. Please go to [agilitygate.com](http://agilitygate.com) to download/update the app on Friday. If you do it before that, you may need to update again. Course maps will be published in the Agility Gate App. No printed copies will be available. For instructions to download and use Agility Gate, go to [http://dogagility.info/agility\\_gate](http://dogagility.info/agility_gate)  
**THE CODE FOR THIS TRIAL IS 0421.**

# Welcome to VAST USDA Test

## Crating/Parking

Parking will be in the main field, not the far lot (for those familiar with past trials in Turlock). Car crating is doable, but not required. We'll be arranging parking so that you can easily put a canopy up and park your car under or next to it. We'll also ensure there is space between vehicles. There are ants. Ant spray is recommended. These trials are getting larger, so please park logically to leave space for others.

## RVs

Please do not enter the field or set up canopies before 3:30pm. RVs will park along the side and back of the main field. Please maintain an appropriate distance from your neighbor. If you haven't paid for your RV, please be sure to give Karey \$20/night when you arrive. We appreciate RV checks made payable to NAF. There are no hookups to electricity or water. There is a full RV station at the Chevron Station on Glenwood and Lander.

## Directions

Take HWY 99 to Turlock. From the south exit Right on Lander and turn right on Glenwood at the Chevron Station, from the north exit Lander and turn left at Lander going under the freeway and then turn right on Glenwood at the Chevron Station. Continue to the end of Glenwood and turn left onto Golf, it becomes South First St. after it curves to the left. The field will be on the left after the veterinary office buildings.

## Emergency Vet

Taylor Veterinary Hospital  
1231 W. Taylor Rd. Turlock, CA 669-8600

If you have a problem or need help Trial Chair Toni Duralski (209) 585-8022, or Trial Secretary Karey Krauter (650-906-5146) will be there to assist you.
